Watermelon Mint Lemonade

Ingredients

- 2 ½ pounds watermelon, cut into chunks
- ¼ cucumber, cut into chunks
- 1 cup fresh squeezed lemon juice
- ¼ cup packed mint leaves
- 2 ½ cups white rum or vodka
- ¼ cup agave syrup or simple syrup
- Garnish: 1 lemon sliced & mint leaves

Directions

1. Put the chunked watermelon, cucumber, and mint in a blender, add the lemon juice, and puree until the mixture is smooth.
2. Strain the mixture into a pitcher to remove the pulp and leaves.
3. Mix in the alcohol or water and slowly mix in the syrup until everything is well-combined.
4. Add the lemon slices and ice. Garnish each glass with a sprig of mint. Serve.

Variation

To enjoy a non-alcoholic version, substitute the rum or vodka with water.
